

THE NEXT STEP

Commissioning the architectural technical design is the next big step. But in order to take it, the PCC needs to feel confident that the church will be fully behind the project, practically and financially.

WHAT CAN YOU DO?

- Please pray for the PCC and the churchwardens in this responsibility
- Ask God how he wants you to be involved

WHAT SKILLS ARE NEEDED?

- Writing letters to grant making bodies to ask for money
- Enthusing about the project within the church and outside
- Instigating fund raising activities
- Counting and banking the money (treasurer)
- Technical knowledge of all stages—design, procurement and tendering
- Local presence on the site as and when needed during the building stage
- Liaison with local residents
- Writing a newsletter update to keep us all informed
- More.....

.....what skills can you offer?

Please talk to Jeremy or Sue if you have any questions; and please let them know how you can help.
